**Question 2** 2 pts

Which statement correctly describe a strategy used in active listening?

Select one:

- Be in a dark, dimly lit, and distraction-free setting.
- Try to anticipate what the speaker will say next.
- Plan a response before the speaker has finished talking.
- Interrupt the speaker whenever you have a relevant question.

**Question 3** 2 pts

Match the type of record to the example document it reflects. (Not all options are used.)

assets [Choose]

inventory [Choose]

expense [Choose]

income [Choose]

employee [Choose]

**Question 4** 2 pts

Which term describes the result of raising a percentage of ownership in a company to an investor in exchange for money?

Select one:

- debt
- grant
- equity
- income

**Question 5** 2 pts

Sandra needs money to purchase tools, office supplies, parts to refurbish equipment, accounting software, and legal help from attorney. Sandra's business will be in business until next month. Sandra needs \$5,000 to help Sandra open her business. In return, Sandra agrees to repay the investor the \$5,000 plus 1% percent of the profits of the business. Calculate the return on investment for the investor if Sandra's business makes \$7,000 in profit as a total return on the business this first year. How much work as part of your answer.
